### MOSQUITO REMINDERS

- Stay indoors at dusk and during evening hours.
- Wear long sleeved shirts and pants for protection when outdoors
- The most effective repellents contain DEET. The higher the percentage of DEET the longer the protection will last.

## Sportsman Road Trail

The construction of the newest leg of the multi-use path along Sportsman Road finally got underway this week. The project was awarded to Valley Contractors of South Roxana, Illinois and was originally scheduled to begin in August. Despite the delays the project is scheduled to be completed in the next couple of

weeks and be final by the second week in October.

This path will connect the existing paths along Koepfli Lane and Frank Watson Parkway to the paths that run around Glik Park.

Clint Conrad, Public Works Resident Engineer, is assisting

the Parks & Recreation Department with this project..
